What is a solar power rebate?

A solar power rebate is an incentive offered by federal or state governments to reduce the cost of going solar. In California, the California Solar Initiative (CSI) handles the state's extensive rebate program. You can receive a lump sum payment or your installer can deduct the amount from the final installed price. Rebates require paperwork to be filed.

How long does it take to get a SunPower rebate?

The rebate form at [sunpowerrebate.com](http://sunpowerrebate.com) must be completed and submitted to SunPower with required documentation within 90 days of the final invoice date. Allow 3-7 weeks for processing. Late submissions or those submitted without proper documentation and signatures will be subject to delay or cancellation. Void where prohibited.
