Why should I buy a solar generator?

Embrace the freedom of renewable energy and take control of your power needs with a solar generator. Free Shipping on All Solar Generators and Kits and lifetime support! Shop Now.

What is a solar generator kit?

A Solar Generator Kit has everything you need to go solar quickly and easily. Whether you want to keep your devices powered up during a blackout or take power with you on the go, Solar Generator Kits from Shop Solar have the top portable power stations on the market yet still manage to save you 50% or more on the cost of a solar power system.

Can a portable solar generator be used as a backup power system?

Most portable solar generators are designed for backup power in emergencies rather than whole-house power. However, larger capacity generators, typically 2000W or higher, along with multiple solar panels and power stations combined, can effectively serve as a backup power system for an entire home during outages.

Why should you buy a solar generator kit?

Experience simplicity, value, and reliability with a complete solar generator kit. Embrace the freedom of renewable energy and take control of your power needs with a solar generator. Free Shipping on All Solar Generators and Kits and lifetime support!
