## Overview

---

Who is container specialist Pte Ltd?

Here at Container Specialist Pte Ltd, we specialize in providing cost-effective storage containers. We have a wide range of equipment to choose from, including cargo, reefer, freezer, shipping containers and container offices. It is converted and customized from a shipping container made from steel.

What is a shipping container in Singapore?

Cargos are products that are shipped via water, land, or air. This container varies in different sizes usually from 20'ft. to 40'ft. Handy Container is one of the leading suppliers for shipping containers in Singapore that offers a wide range of shipping containers that can be customised to suit every customer's needs.

What types of containers do we offer for sale and leasing?

We offer all types of containers for sale and leasing. From standard container types to made to order modifications, our depot hold a permanent stock, ready to ship to wherever you want.

Are shipping containers a good alternative for temporary space solutions?

Shipping Containers are the best alternative for temporary space solutions. This is an ideal option when faced with an immediate need for office space, interior solutions, accommodation, and much more. Depending on the needs of the customer, these shipping containers come in many sizes and can be repurposed for different uses.

What is an eco power container?

For more details on our ECO Power Container, download our brochure here! This eco-powered container is suitable for facilities with temporary and portability requirements, or locations with no access to grid power, such as mobile site offices, emergency command/ medical centres, mobile cafes,

charging stations, and events.

### Who is handy container?

Handy Container has the full capabilities and provision in customising containers to suit different industries and requirements. With numerous years of experience, we have customised and built shipping containers and storage containers for construction, industrial, civil, office, marine and offshore, and event needs.
