Who is Tienda solar?

Tienda Solar, a company with significant expertise in the solar energy sector, has a management team boasting extensive experience both nationally and internationally in various aspects of solar installations.

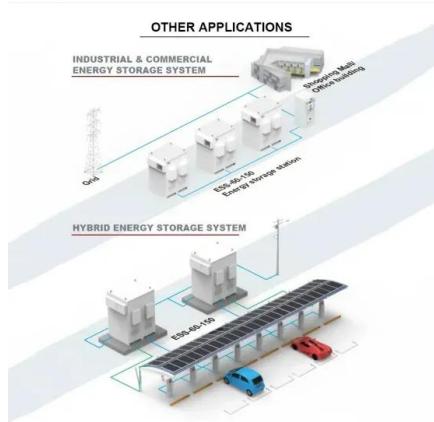

## What is a solar panel kit?

**Solar Panels: The Core of Your Solar Panel Kit.** Solar panels are the main component of the solar panel kit, as they convert sunlight into electric current. Our solar panels are made of high-efficiency monocrystalline or polycrystalline cells, which can produce more power per unit area than other types of cells.
