# **Container pv kit EPC service price in Sweden**

## Overview

---

### What is the EPC alliance by Sweden?

The EPC Alliance by Sweden is a network between Team Sweden, Global EPCs, Swedish suppliers and International banks that all work to promote trade and investment between Sweden and the world. Sweden is a country with many innovative and world-leading companies that can participate in large infrastructure projects abroad.

### What is an EPC project?

EPC projects that are also known as 'turnkey' and as the contractor assumes responsibility for engineering services, procurement of materials, hiring of teams and materials, and execution of the work, among other tasks, to deliver the project ready to be operated by the client by a given deadline and with a number of guarantees.

### What is an EPCF project?

EPCF projects are those in which the client entrusts Symtech Solar and its Partners as contractors with the complete execution of the work, from engineering design, procurement, construction, testing and commissioning and even the finance.

### Where is KPV based?

KPV's project engineering group, headquartered in Austria, has already successfully put a wide range of installations into operation in various European countries. Outstanding returns are engineered in collaboration with close partners KIOTO and GREENoneTEC already at the very moment of module manufacturing.
