# **Container pv storage EPC service price in Egypt**

## Overview

---

Is Scatec a leading renewables company in Egypt?

Pilskog added that the agreement underscores Scatec's position as a leading renewables company in Egypt. Last September, the company signed a 25-year solar PPA with Egyptian Electricity Transmission Co. for a 1 GW solar array with 100 MW/200 MWh of battery storage, Egypt's first hybrid solar-plus-battery project.

What is an EPC project?

EPC projects that are also known as 'turnkey' and as the contractor assumes responsibility for engineering services, procurement of materials, hiring of teams and materials, and execution of the work, among other tasks, to deliver the project ready to be operated by the client by a given deadline and with a number of guarantees.

What is an EPCF project?

EPCF projects are those in which the client entrusts Symtech Solar and its Partners as contractors with the complete execution of the work, from engineering design, procurement, construction, testing and commissioning and even the finance.
