---

The government of Pakistan has proposed an 18% general sales tax (GST) on imported solar panels in its Federal Budget 2025-2026.

The government of Pakistan has proposed an 18% general sales tax (GST) on imported solar panels in its Federal Budget 2025-2026.

The government of Pakistan has proposed to impose an 18% general sales tax (GST) on imported solar panels in its Federal Budget 2025-2026. During a speech in the National Assembly earlier this week, Finance Minister Muhammad Aurangzeb said the tax would help the local solar industry grow, according.

When Finance Minister Muhammad Aurangzeb unveiled Pakistan's federal budget for FY 2025-26 on June 10, 2025, one of the most discussed measures was the introduction of an 18% general sales tax on imported solar panels. As Pakistan experiences a surge in solar adoption, this move—aimed at nurturing.

ISLAMABAD - The federal government has proposed imposition of 18 percent tax on the import of solar panels, a move that would increase the prices of the imported panels. Federal Finance Minister Muhammad Aurangzeb presented the budget in the National Assembly with total outlay of Rs17.6 trillion.

Move expected to impact affordability of renewable energy systems and slow down growth of the solar industry in Pakistan. The new tax, applied under the General Sales Tax (GST) framework, aims to broaden the government's revenue base amid rising fiscal pressures. Previously, solar panels had.

This guide provides a comprehensive overview of the rules, duties, and prevailing prices associated with solar panel imports. We will also explore top brands available to solar panel importers in Pakistan and offer practical tips for navigating the import process, including insights from solar.

The federal government has introduced an 18 percent sales tax on imported solar panels as part of the Budget 2025-26, presented in the National

Assembly today by Federal Minister for Finance Muhammad Aurangzeb. The move aims to create a level playing field between imported and locally manufactured.
