

Container solar solutions turnkey solution price in Ukraine

Overview

The cost of a solar power plant is from 590 USD to 800 USD per 1 kW of “turnkey” power. The cost will depend on the equipment manufacturer, the type of structure (pitched roof, flat roof, above-ground structures), the complexity of the fastening and the condition of the roof itself.

Container solar solutions turnkey solution price in Ukraine

Modern green energy for home and business -- Dolya Solar Energy

Official Distributor: We will find a solution for everyone For Business For Home For Partners Dolya Solar Energy provides turnkey solar power plants (PV) and backup power systems (PV+ESS, ...
