Containerized Energy Storage System

We're excited to present our innovative containerized energy storage system, the C&I-EnerCube, designed to revolutionize high-capacity industrial battery storage for commercial and industrial (C&I) applications.

[Hungarian solar is on the rise but much needs to be ...](#)

PV deployment is gathering pace in the EU member state but grid capacity shortfalls and unpredictable shifts in government policy need to be addressed if the nation is to harness its full solar

Large battery storage systems in Europe are all the rage

In addition, it often makes economic sense for companies to invest in large battery storage systems when electricity supply and prices fluctuate. This is because electricity can be bought cheaply on the exchange, for example at
