25 EXPRESSIONS OF INTEREST (INTERNATIONAL COMPETITIVE BIDDING)
Federal Democratic Republic of Ethiopia Ministry of Finance Office of the Public Private Partnership Directorate General Renewable Energy Program (Solar Projects) Request for Pre-Qualification Ref, No.: MoF-PPP DG/PPP/E/001/2025 The.

Ethiopia's Office of the Public-Private Partnership (PPP) Directorate General has issued a Request for Qualification (RFQ) for the development of two significant solar PV projects—the GAD II (125 MW) and Weranso (100 MW) plants. Announced on February 9, 2025, this call invites both international.

TOKYO, April 22, 2025 /PRNewswire/ -- TOYO Co., Ltd (Nasdaq: TOYO) (OTC: TOYWF) ("TOYO" or the "Company"), a solar solution company, has officially started production at its new facility in Ethiopia in early April 2025. The company is scheduled to deliver more than 80 MW of solar cells to customers.

TOYO Co., Ltd plans to add 2 gigawatts to its solar production capacity in Ethiopia by August 2025, responding to strong international demand with an estimated \$47mn investment. Japanese group TOYO Co., Ltd, a company specialising in solar solutions, has announced a 2 gigawatt (GW) expansion.

PVTIME – In a major development for the solar energy industry, Toyo Co., Ltd. (TOYO) has made a significant announcement. The company has revealed plans to invest \$47 million in a 2GW solar cell capacity expansion project at the Hawassa Industrial Park in Ethiopia. The project is scheduled to begin.

Key Figures & Findings: Ethiopia has launched an international request for qualification (RFQ) for two greenfield solar PV plants totaling 225MW, signaling a strategic policy shift toward public-private partnerships in its renewable energy sector. The Ethiopian government aims to attract global.
