

**Solar360 Mobile Energy**

# **Customized container pv kit quotation for Indonesia project**

## Overview

---

Where can I see solar panels in Jakarta?

Based in Jakarta, ATW Solar also has a Solaristic Showroom powered by solar panels. You can experience a real life demonstration of solar panel installation, equipment and batteries there.

What is solar Karya Indonesia?

Solar Karya Indonesia is committed to providing sustainable smart energy solutions and continues to push the PV industry forward by creating greater grid parity for PV power and popularizing renewable energy to build a clean living environment for mankind. CLEAN. FUTURE. ENERGY.

What types of PV systems can be installed?

Our products can be installed including ground-mounted power plants, commercial, industrial rooftop PV systems, floating PV system and residential rooftop PV systems, with its advantages of continuous technological innovation and well established global sales and service networks.
