# **Customized mobile solar unit quotation for Slovakia project**

## Overview

---

### What is a solar quote template?

Simplify quotation process with a template tailored for solar panel companies. This template includes a quotation form that enables you to easily collect data from clients and automate proposals. Looking for a streamlined way to present solar project quotes to potential clients?

### What is a solar quotation system?

The solar quotation system includes a straightforward customer relationship management (CRM) system that perfectly meets the needs of solar panel companies. Overbuilt systems can often complicate the process rather than streamline it.

### What is a solar quotation form?

**Solar Quotation Form:** This form enables gathering essential data from clients about their solar system needs. It is fully customizable using a user-friendly drag-and-drop editor. **Simple Solar CRM:** Once client information is submitted through the quotation form, it is integrated into the Solar CRM system.

### What is BIPV & how does it work in Slovakia?

From day one, we've been breaking new ground in Slovakia's solar energy sector. We were one of the first company in Slovakia to install Building-Integrated Photovoltaics (BIPV). We led the way with the first-ever 400kWh Battery Backup System, even before container-based battery systems became mainstream.
