

# **Customized portable solar solution off-grid project cost in Mauritius**

## Overview

---

Can gosolar offer off-grid PV solutions?

GOSOLAR can also offer off-grid PV solutions. The Central Electricity Board (CEB), in collaboration with the Ministry of Energy and Public Utilities, opened up the access to the national electricity grid to commercial businesses through the launching the MSDG (MediumScale Distributed Generation) Net Metering Scheme.

How can a solar PV system save you money?

The Government is also giving fiscal incentives by allowing 100% of the cost of a Solar PV system to be deducted against your chargeable income. This can bring a savings of up to 15% of the cost of a Solar PV equipment.

What is Solar Photovoltaic Rebate scheme?

This new CEB scheme for Small and Medium Entreprises (SME) will be opening soon. The Solar Photovoltaic Rebate Scheme will help SMEs to produce electricity using solar photovoltaic technology. The scheme will operate on the net metering principle which will allow eligible SMEs to produce electricity solely for their own consumption.

Can a green loan save you money on solar PV equipment?

This can bring a savings of up to 15% of the cost of a Solar PV equipment. A further financial incentive is being provided by the Agence Francaise de Developpement (AFD) which is giving a cash rebate on any green loans taken to finance a Solar PV equipment.
