

Government subsidy for container battery system in Croatia

Overview

Croatia will provide some €500 million (US\$534 million) in subsidies for battery energy storage system (BESS) technology, a government minister has said.

Croatia will provide some €500 million (US\$534 million) in subsidies for battery energy storage system (BESS) technology, a government minister has said.

Croatia will provide some €500 million (US\$534 million) in subsidies for battery energy storage system (BESS) technology, a government minister has said. Minister of Economy and Sustainable Development Damir Habijan revealed the funding, part of a larger €1.6 billion for energy projects, at the.

The Government of Croatia is preparing EUR 500 million for the installation of batteries for storing renewable energy. Minister of Economy and Sustainable Development Damir Habijan said Croatia is ready for changes in the energy sector. It is important to conduct the energy sector's green.

The Ministry of Economy has officially announced the "State Support Program for Facilities for Storing Self-Produced Electricity for the Purpose of Deferred Energy Delivery to the Grid". This program represents a significant opportunity for companies looking to invest in modern energy storage.

The Croatian government has allocated €60 million (\$65.6 million) in subsidies for businesses to install 80 MW of renewables and 20 MWh of batteries. Croatia may only install 2.5 MW of PV in 2022. Image: Ministry of Regional Development of Croatia The Croatian government is providing €60 million.

In a significant stride towards energy modernisation, Croatia is setting aside EUR 500 million for the development of large-scale energy storage systems. The announcement was made by Damir Habijan, Croatia's Minister of Economy and Sustainable Development, at the seventh international energy.

IE Energy has secured €19.8 million (\$20.9 million) to develop a 50 MW storage system, potentially extendable to 110 MW by 2024. How much ie-

energy aid will Croatia get?

The European Commission has approved €19.8 million (US\$20.1 million) in state aid from the government of Croatia to energy.
