

Government subsidy for container pv storage in Bangladesh

Overview

Bangladesh's government has proposed exempting renewable energy equipment, including energy storage systems, from import duties and value-added tax (VAT) under its draft Renewable Energy Policy 2025. If approved, the provisions would take effect upon publication in the country's official gazette.

Government subsidy for container pv storage in Bangladesh

[Poland Resumes Residential PV and energy Storage ...](#)

The application for the sixth phase of Poland's "Mój Prąd" (My Electricity) rebate program began earlier this month, offering a total subsidy of PLN 400 million (approximately CNY 738 million) for residential photovoltaic ...
