

Government subsidy for container pv storage in Tunisia

Overview

66,000 households are scheduled to take part in this initiative. A subsidy of 1,500 dinars will be granted for each PV installation. In addition, a subsidized loan of up to 3,000 dinars, will be granted to eligible households via their electricity bill. How much money does Tunisian government provide for solar?

The Tunisian authorities have provided \$121 million for solar thermal and PV systems. The subsidies can cover up to 30% of initial investments in residential PV installations. The Tunisian government said that it has renewed the financing mechanism for its two national residential solar programs.

How will the Energy Transition Fund work in Tunisia?

The financing will take the form of rebates granted to Tunisian households allocated by the Energy Transition Fund (FNME). The financial institution will also be able to grant loans for the purchase and installation of equipment.

Will Tunisia reach the 2020 intermediary targets?

With the aim of reaching the 2020 intermediary targets, the Tunisian Government published the 01/2016 Renewable Energy Generation Notice, fixing the installed capacity 2017-2020 targets by technology and regulatory scheme. The notice has set an installed capacity target of 1000 MW: 650 MW of Solar PV and 350 MW of Wind.

Does Tunisia have a new regulatory framework?

In order to reach these targets, Tunisia has implemented a new regulatory framework through the enactment, in 2015, of Law n°2015-12 relative to electricity generation by renewable energy sources, which details three regulatory schemes: self-consumption, “authorizations” through call for projects, and “concessions” through call for tenders.

What is a preliminary agreement in Tunisia?

The granting of a preliminary agreement by the Ministry allows the producer

to establish a project company in the form of a resident company with limited responsibility (SARL) or a limited company (SA) subject to Tunisian law. The standard contracts (PPA) for the sale of electricity are published by Ministerial decree.
