

# **Government subsidy for container solar kit in Nigeria**

## Overview

---

The subsidy will be provided through a World Bank approved loan of \$750 million under the Distributed Access through Renewable Energy Scale-up (DARES) project. This was disclosed in the financing agreement for the loan project seen by Nairametrics.

The subsidy will be provided through a World Bank approved loan of \$750 million under the Distributed Access through Renewable Energy Scale-up (DARES) project. This was disclosed in the financing agreement for the loan project seen by Nairametrics.

The federal government is ramping up the disbursement of the N140 billion solar intervention fund, a facility by the Central Bank of Nigeria (CBN) to close the huge energy gap, especially in Nigeria's rural communities. In the last quarter of 2020, the CBN had introduced the fund that would offer.

**Key Figures & Findings:** EcoFarm Energy Nigeria has signed an MoU with SolarContainer Nederland to roll out mobile, solar-powered containers that provide clean energy and charging capabilities for e-mobility services. The partnership supports dual goals: powering remote communities and enabling.

The federal government of Nigeria is set to offer subsidies to developers and operators of solar mini grids in unserved and underserved areas across the country. This initiative will be facilitated through a World Bank-approved loan totaling \$750 million under the Distributed Access through.

The federal government plans to provide subsidy to developers and operators of solar mini-grids in unserved and underserved areas in the country. The subsidy will be provided through a World Bank approved loan of \$750 million under the Distributed Access through Renewable Energy Scale-up (DARES).

Nigeria is set to expand access to electricity in unserved and underserved areas through a \$750 million loan from the World Bank. The loan, approved in December 2023 under the Distributed Access through Renewable Energy Scale-up (DARES) project, will be used to subsidize solar mini-grid developers.

Companies to receive finance for projects connecting businesses with clean energy as part of programme designed to support Nigeria Energy Transition Plan Lagos, 23 February 2023 – The Universal Energy Facility (UEF) – a results-based financing facility managed by Sustainable Energy for All – has.
