

Government subsidy for container solar kit in Vietnam

Overview

Vietnam's Ministry of Industry and Trade has proposed a subsidy of \$1.65 billion to support 14 million households in installing rooftop solar systems. Household rooftop solar systems are key to meeting Vietnam's renewable energy goals.

Vietnam's Ministry of Industry and Trade has proposed a subsidy of \$1.65 billion to support 14 million households in installing rooftop solar systems. Household rooftop solar systems are key to meeting Vietnam's renewable energy goals.

On 22 October 2024, the Government of Vietnam issued Decree No. 135/2024/ND-CP stipulating policies encouraging development of self-produced and self-consumed rooftop solar power ("Decree 135"), which would immediately take effect from the date of issuance. Decree 135 ends nearly four years of.

Vietnam's Ministry of Industry and Trade (MOIT) has announced a new round of feed-in tariffs (FIT) for solar power, introducing location-based pricing and, for the first time, incorporating energy storage systems. The updated scheme highlights the growing importance of storage in stabilizing the.

On 22 October 2024, the Vietnamese government promulgated its long-awaited Decree No. 135/2024/ND-CP governing the mechanism and policy for incentivising the development of self-consumption rooftop solar power systems ("RTS") ("Decree 135"). Decree 135 provides the legal basis for developing such.

On April 6, 2020, the Prime Minister of Vietnam issued Decision No. 13/2020/QĐ-TTg on the mechanism for encouraging the development of solar power in Vietnam ("Decision 13"). Decision 13, which will take effect on May 22, 2020, introduces a number of new incentives and mechanisms for investors in.

After a long wait, the Government has officially issued Decree No. 135/2024/ND-CP dated 22 October 2024, providing mechanisms and policies

to encourage the development of on-site self-consumption rooftop solar power ("Decree 135"). The Decree comes into effect on 22 October 2024 with the following.

On April 6 th, 2020, the Prime Minister issued Decision No. 13/2020/QĐ-TTg on incentives for the development of solar energy in Vietnam ("Decision 13"), replacing Decision No. 11/2017/QĐ-TTg ("Decision 11") which has expired since June 30 th, 2019. Decision 13 applies to organizations and.
