

**Solar360 Mobile Energy**

# **Government subsidy for containerized battery storage in Portugal**

## Overview

---

Eligible projects can receive up to €30 million and can be developed both at the transmission and distribution levels by the end of 2025. The funding is allocated through the Environmental Fund and included in the country's Recovery and Resilience Plan (RRP).

Eligible projects can receive up to €30 million and can be developed both at the transmission and distribution levels by the end of 2025. The funding is allocated through the Environmental Fund and included in the country's Recovery and Resilience Plan (RRP).

Two solar-plus-storage projects are among five planned renewable energy sites whose details have been published for public consultation on the Portuguese Environment Agency's Participa portal. Lisbon-based Endesa subsidiary Newcon40 Unipessoal Lda is developing the Sol de Évora Photovoltaic Solar.

Portugal has selected 43 winning BESS projects for a share of €100 million (US\$105 million) in EU grants while, on the other side of Europe, Moldova has launched a 75MW BESS procurement with funding from USAID. Portugal has awarded grant support to around 500MW of battery energy storage system.

Portugal's government has announced the outcome of an energy storage tender that will see the installation of 500 MW of energy storage capacity to support the country's energy transition. Energy storage battery. Photo by Anna Vasileva According to the provisional results, unveiled last week, 43.

The Portuguese Ministry of Energy has allocated €99.75 million (\$107.6 million) for grid flexibility and energy storage projects which should be installed by the end of 2025. From ESS News Portugal is seeking to promote flexibility and balance its power system with energy storage as it continues to.

Portugal's Ministry of Energy has allocated €100 million to support 43 energy storage projects, scheduled for completion by the end of 2025. These projects were selected from 79 applications under the country's Recovery and

Resilience Plan (RRP), with eligible projects able to receive up to €30.
