# **Government subsidy for containerized solar power plant in Cyprus**

## Overview

---

Under the new legislation, solar PV, wind and biomass plants that receive FiTs up to EUR 166/MWh can claim capital expenditure (capex) for the purchase and installation of storage capacity up to EUR 100,000/MWh.

Under the new legislation, solar PV, wind and biomass plants that receive FiTs up to EUR 166/MWh can claim capital expenditure (capex) for the purchase and installation of storage capacity up to EUR 100,000/MWh.

Cyprus' Ministry of Energy, Commerce and Industry has launched a subsidy scheme for energy storage systems that can be added alongside existing renewable energy plants. Eligible renewable power plants should be remunerated either by feed-in tariffs (FiTs) or net billing systems. Cyprus has.

The government of Cyprus has confirmed financial support will be made available for renewable energy projects paired with energy storage. The Mediterranean island country's Ministry of Energy, Commerce and Industry announced last week (14 November) that the government Council of Ministers had.

The Ministry of Energy has today published guidelines for its €35 million energy storage scheme, previously approved by the Council of Ministers, aimed at promoting energy storage solutions across the country. The scheme, funded through the 'THALIA 2021-2027' Cohesion Policy Programme and the Just.

Cyprus has introduced its first-ever energy storage subsidy scheme concerning large-scale renewable energy plants. The subsidy scheme runs until 2027, at which time the ministry will be running open calls for bids. Cyprus has introduced its first-ever energy storage subsidy scheme for large-scale.

Cypriot citizens and legal persons owning renewable energy systems can apply from February 14 for grants to add batteries. The EUR 35 million program is funded from the European Union's Just Transition Fund. The Council of Ministers of Cyprus approved the Grant Scheme for Energy Storage

Systems in.

"Cyprus: New subsidies were approved for energy storage in photovoltaics - In detail the. Buy photovoltaics online from leditnow.gr and save energy with the best solutions for your home. The Council of Ministers of Cyprus took an important decision today, approving the first state subsidy plan.
