

# **Government subsidy for mobile solar station in Burundi**

## Overview

---

The \$100m grant will support the Solar Energy in Local Communities (Soleil) project – also known as Nyakiriza – which aims to almost double the electrification rate nationwide. The Soleil project aims to connect more than 91,000 families, 4,000 small businesses, 500 schools and 400 health centres to mini-grids or standalone solar systems with combined capacity of around 17MW.
