

# **Government subsidy for mobile solar unit in Vietnam**

## Overview

---

Offshore wind power and green hydrogen projects in Vietnam may soon benefit from unprecedented incentives, including fee exemptions, guaranteed electricity volumes, and flexible investment terms, as proposed in a new draft policy.

Offshore wind power and green hydrogen projects in Vietnam may soon benefit from unprecedented incentives, including fee exemptions, guaranteed electricity volumes, and flexible investment terms, as proposed in a new draft policy.

The research and development of technology in Việt Nam's wind and solar power sectors are being actively encouraged and supported, according to a recently issued government decree. A renewable energy project in the southern province of Bình Thuận. — Photo nangluongsachvietnam.vn HÀ NỘI — The.

providing detailed implementation guidance under the Electricity Law 2024 in relation to the development of renewable energy and new-energy electricity projects, with a particular focus on offshore wind power and rooftop solar power systems (RTS). Decree 58 introduces important regulatory.

On April 6, 2020, the Prime Minister of Vietnam issued Decision No. 13/2020/QĐ-TTg on the mechanism for encouraging the development of solar power in Vietnam (“Decision 13”). Decision 13, which will take effect on May 22, 2020, introduces a number of new incentives and mechanisms for investors in.

Households and offices that install rooftop solar panels will enjoy a number of incentives such as tax and fee breaks and preferential loans, according to the Ministry of Industry and Trade (MoIT). In a proposal submitted to Prime Minister Phạm Minh Chính, the ministry said these incentives aim to.

To accelerate the development of the renewable energy industry, the Vietnamese government has introduced a new electricity decree, prioritizing the promotion of power generation projects using renewable energy sources

such as solar and wind power, as well as energy storage systems. Additionally.

On April 6 th, 2020, the Prime Minister issued Decision No. 13/2020/QĐ-TTg on incentives for the development of solar energy in Vietnam (“Decision 13”), replacing Decision No. 11/2017/QĐ-TTg (“Decision 11”) which has expired since June 30 th, 2019. Decision 13 applies to organizations and.

## Government subsidy for mobile solar unit in Vietnam
