

**Solar360 Mobile Energy**

# **Government subsidy for modular solar container in Australia**

## Overview

---

There are currently two national government solar rebate initiatives available in Australia: the Small-scale Renewable Energy Scheme (SRES) and solar feed-in tariffs (FiTs). Starting from 1 July 2025, the Cheaper Home Batteries Program, initiated by the Labor Government, will begin rolling out.

## Government subsidy for modular solar container in Australia

### Our container solution with Solar power, Battery and ...
