

# **Government subsidy for solar panel storage box in Hungary**

## Overview

---

The Hungarian Ministry of Energy has said that more than 20,000 households have applied for the Napenergia Plusz Program, a grant scheme for installing residential solar panels and storage systems. The government offers up to HUF 5 million per property, with the average request being.

The Hungarian Ministry of Energy has said that more than 20,000 households have applied for the Napenergia Plusz Program, a grant scheme for installing residential solar panels and storage systems. The government offers up to HUF 5 million per property, with the average request being.

The Hungarian government says 20,000 households have signed up for its PV subsidies scheme, which offers up to HUF 5 million (\$14,125) per home installation. The original HUF 75.8 billion budget was increased by HUF 30 billion in July. The Hungarian Ministry of Energy has said that more than 20,000.

The government is raising the original HUF 75.8 billion allocation for a subsidy scheme supporting the installation of home solar panels and battery storage with an additional HUF 30 bln, State Secretary for Energy Affairs and Climate Policy Attila Steiner said yesterday, according to hirado.hu.

Subsidies supporting solar panel and battery storage investments have been paid out to over 6,000 households so far, state secretary for energy affairs and climate policy Attila Steiner said on Wednesday on public television. Steiner said the state subsidy scheme, launched in January, received more.

The government originally allocated HUF 75.8bn for the subsidy project and raised the amount by HUF 30bn in July because of strong demand. Attila Steiner, state secretary for Energy Affairs and Climate Policy, said subsidies supporting solar panel and battery storage investments have so far been.

Over 10,500 homeowners have been paid HUF 22.1bn (EUR 54.18m) in subsidies supporting solar panel and battery storage investments, the Energy Ministry said in a post on social media on Tuesday. The number of winners in the scheme stands at over 21,000. They will get a total of HUF 86.3bn (EUR.

The Hungarian government is investing an additional HUF 30 billion (\$83.9 million) into its HUF 75.8 billion rebate program for residential solar and storage systems. The scheme, which launched in January, is now expected to support more than 25,000 households. Hungary 's Ministry of Energy has.
