

# Indianapolis solar installers near me

## Overview

---

Who is the best solar installation company in Indianapolis?

Finding the best solar installation company is crucial to implementing solar on your property. Based on our research, these are the 10 best solar companies in Indianapolis: Based in Brownsburg, Indiana, the installers at Universal Solar Direct of Indiana are trained and certified to handle all types of solar installations.

How many solar companies are in Indianapolis in?

There are 7 solar companies in Indianapolis, IN on the EnergySage Marketplace. Should you choose a local or national solar installer?

According to a study by the National Renewable Energy Laboratory (NREL), solar quotes from national installers are about 10 percent higher, on average, compared to those provided by local installers.

Why should you install solar panels in Indianapolis?

Since solar energy is renewable and generates electricity without releasing carbon emissions, installing solar panels is one easy step you can take to help preserve the planet. Which solar installation company is the best in Indianapolis?

In Indianapolis, Blue Raven Solar is the most reputable local solar company.

How much does solar cost in Indianapolis?

The average price of solar is about \$1.99 to \$2.99 per watt in Indianapolis, so anything in that range is a fair price. Some prices may be too good to be true. If your installer quotes you way below the average price in your area, proceed with caution.

Do I need a solar battery in Indianapolis?

No, you don't need to install a solar battery in Indianapolis. Solar panels can operate and lower your electricity bill even without a battery. However, a solar battery might be a worthwhile investment in some cases. A battery can provide backup power and priceless peace of mind in places with prolonged grid blackouts or extreme weather events.

Who installs solar panels?

Uber Energy is an approved installer by Tesla, Chargepoint and ClipperCreek. Naptown Solar Solutions is a solar provider that has a network of experts with decades worth of experience in installing top-quality solar panels. Solar Concepts is a window tinting service and an authorized 3M products dealer.
