

Kings 160w semi-flexible solar panel review

Outdoor Cabinet BESS
50 kWh/500 kWh Battery Storage System
Industrial and Commercial Energy Storage

The image shows two views of the Outdoor Cabinet BESS. On the left is a closed white cabinet with a small digital display and a red emergency stop button. On the right is the same cabinet with its doors open, revealing internal components including battery packs, wiring, and a control panel. The background of the image shows a landscape with wind turbines and mountains.

- All In One**
Integrating battery packs
- High-capacity**
50~500kWh
- Degree of Protection**
IP54
- Operating Temperature Range**
-20~60°C(Derating above 50 °C)
- Intelligent Integration**
integrated photovoltaic storage cabinet
- Rated AC Power**
50~100kW
- Altitude**
3000m(>3000m derating)

Overview
