

Kings 160w semi-flexible solar panel

Overview

What is a Kings 160W solar panel?

In summary, the Kings 160W panel combines high-quality mono cells, a sturdy polymer cover, and waterproofing to handle tough Aussie use. The Kings 160W solar panel performs exceptionally well in various Australian scenarios: Off-Grid Camping: Clamp it to your vehicle's roof, trailer canopy, or caravan.

Is adventure Kings a good solar panel?

Adventure Kings claims that it is a "low-profile, durable and efficient" 12V charger. In fact, the Kings 160W semi-flexible solar panel is 100% capable of maintaining battery charge on the road. It can be mounted on slightly curved surfaces (such as caravan roofs). Get your solar panel of choice from Aussie Solar Tech today.

Are Kings flexible solar panels rubbish?

Kings flexible solar panel – This is rubbish it only worked for a year there is no out put now they are supposed to be in the sun to work. After attaching it to the roof of my van and I now have the problem to remove it. Do not waste your money on them Show details Hi there, I do apologise for the inconvenience. Read more (+ 1 reply)
