

# Kings 200w folding solar panel

## Overview

---

What is a Kings 200W solar panel?

It is commonly known as the Kings Folding Solar Panel. It is aimed at camping enthusiasts, caravanning, emergency backup and small-scale residential use. Kings 200W solar panel has a voltage at maximum power ( $V_{mp}$ ) of about 18.0 V, which makes it perfect for 12 V battery banks or scalable for 24 V systems when wired in series.

What is the adventure Kings 200W folding solar blanket?

The Adventure Kings 200W Folding Solar Blanket is compact, lightweight, super powerful and super easy to use to charge your batteries and keep your fridge running at camp.

Does the Kings 200W solar blanket work with a solar regulator?

**QUICK-CONNECT COMPATIBILITY FOR EASE OF USE** The Kings 200W Solar Blanket is compatible with all Adventure Kings solar regulators and solar leads that feature the Quick Connect icon. This compact solar blanket can output 18.1V and 11.05 amps, and if you plug it into a Kings MPPT solar regulator, you can get up to 16A of charge into your battery!.

What are adventure Kings folding panels?

- Made with heavy-duty 2.0mm tempered glass and a lightweight slimline extruded aluminum frame, Adventure Kings folding panels are built to withstand harsh conditions. They fold effortlessly for compact storage, offering convenience without sacrificing durability.

How often should you clean a Kings 200W solar panel?

To maintain optimal performance, clean the Kings 200W solar panel surface every 3–4 weeks using a soft cloth and mild detergent—especially during long-term deployments such as off-grid. The cabins near Mount Gambier are designed to prevent dust and grime buildup, which can reduce the solar

panel's output by up to 25%.
