

Mobile pv generator EPC service price in Sweden

Overview

What is the EPC alliance by Sweden?

The EPC Alliance by Sweden is a network between Team Sweden, Global EPCs, Swedish suppliers and International banks that all work to promote trade and investment between Sweden and the world. Sweden is a country with many innovative and world-leading companies that can participate in large infrastructure projects abroad.

How does EPC work?

In the EPC (Engineering, Procurement and Construction) of solar power plants, we design the selection and layout of the equipment to suit the characteristics of the site to maximize the amount of power generated, as well as the civil engineering, cabling and power transmission. We use our global purchasing network to source the equipment needed.

Why should you hire a photovoltaic EPC contractor?

Having one contractor to handle photovoltaic EPC means being in control of every stage in project development, with close supervision over logistics, regulations and construction issues. secure long term performance by a choosing an advantageous operations and maintenance plan. What makes Telenergia a leading EPC contractor?

.

What makes KPV high performance modules so special?

KPV modules withstand highest snow loads (5400 Pa) and are extremely hail resistant (twice the IEC requirements!) All main components of these KPV high performance modules are of European origin, thus guaranteeing superior product quality for an extremely long life time.

Mobile pv generator EPC service price in Sweden

EPYTRO - is a power solutions

EPYTRO Design, Assemble, Manufacture And Develop Different Types Of Products, Such As Diesel And Gas Generator Sets, Light Towers, ATS Panels And Distribution Panels. Epytro Is Also An EPC Contractor For Solar PV And ...

EPC Services , KPV Solar GmbH

Our photovoltaic modules and solar thermal collectors are sorted according to extreme narrow efficiency tolerances, ready to be placed exactly at the right spot in the power plant and tuning each the installation to the limit!
