

Mobile solar station quotation in Saudi Arabia 2025

Overview

Who are the leading solar energy companies in Saudi Arabia?

The Saudi Arabian solar energy market is led by prominent players, including ACWA Power Company, Alfanar Group, Abu Dhabi Future Energy Company (MASDAR), EDF Renewables, and Saudi Electricity Company.

Is Saudi Arabia ready to invest in solar PV?

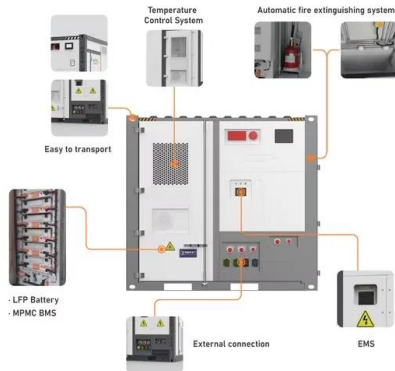

Saudi Arabia has also set a national strategy to develop a local RE manufacturing ecosystem capable of exports. Implementation of both NREP and local manufacturing has already begun. There are investment opportunities at various points in the solar PV value chain which depend on global needs rather than local market demand.

What is SGI doing with solar power in Saudi Arabia?

An initiative under the SGI umbrella is the Saudi Telecom Company (STC) Solar Pilot Project, which aims to install solar power capacity across STC infrastructure by 2024. Another initiative is the plan to run AIUla on 100% renewables from a solar PV plant and battery farm (1 GW of installed capacity) by 2035.
