

Mobile solar unit quotation in Saudi Arabia 2026

Overview

Who are the leading solar energy companies in Saudi Arabia?

The Saudi Arabian solar energy market is led by prominent players, including ACWA Power Company, Alfanar Group, Abu Dhabi Future Energy Company (MASDAR), EDF Renewables, and Saudi Electricity Company.

How will Saudi Arabia achieve net zero by 2060?

The Kingdom plans to reduce its carbon emissions by over 278 MTPA by 2030, aiming to reach net zero by 2060. An initiative under the SGI umbrella is the Saudi Telecom Company (STC) Solar Pilot Project, which aims to install solar power capacity across STC infrastructure by 2024.

Does Saudi Arabia need solar energy?

The energy sector in Saudi Arabia is undergoing a significant transformation, moving away from its traditional reliance on fossil fuels. As of 2021, the country's electricity generation mix comprised 60.55% natural gas and 39.22% oil, highlighting the substantial opportunity for solar energy integration.

What is SGI doing with solar power in Saudi Arabia?

An initiative under the SGI umbrella is the Saudi Telecom Company (STC) Solar Pilot Project, which aims to install solar power capacity across STC infrastructure by 2024. Another initiative is the plan to run AIUla on 100% renewables from a solar PV plant and battery farm (1 GW of installed capacity) by 2035.

How does Saudi government finance solar projects?

The government has also introduced supportive financing mechanisms through the Saudi Industrial Development Fund (SIDF), which launched a USD 28 billion fund to support solar installation projects and manufacturers, offering long-term financing options extending up to 20 years.

Is Saudi Arabia ready to invest in solar PV?

Saudi Arabia has also set a national strategy to develop a local RE manufacturing ecosystem capable of exports. Implementation of both NREP and local manufacturing has already begun. There are investment opportunities at various points in the solar PV value chain which depend on global needs rather than local market demand.
