

Modular solar container shipping and installation cost in Chile

Overview

Delivery, setup, and site work usually cost \$5,000 to \$15,000. If you're tying into the grid, that might add another few thousand, but many go fully off-grid. Permits vary but typically cost between \$1,000 and \$10,000. *These numbers are estimates, and the actual price can vary.

Modular solar container shipping and installation cost in Chile
