

# **Power container quotation in Kuwait 2025**

## Overview

---

Kuwait has opened bids for the first phase of the 1.8 gigawatt power Al Khairan power and water project, which aims to help alleviate the Gulf nation's power shortages.

Kuwait has opened bids for the first phase of the 1.8 gigawatt power Al Khairan power and water project, which aims to help alleviate the Gulf nation's power shortages.

Kuwait's Ministry of Electricity, Water and Renewable Energy is expected to award the Engineering, Procurement and Construction (EPC) contract for the Sabiya Power and Water Distillation Plant (Phase 4) Combined Cycle Gas Turbine Units project in the fourth quarter, a source aware of the details.

Kuwait is set to issue tenders for the supply, installation, and operation of gas turbines aimed at increasing the capacity of the Subiya power plant by nearly 900 megawatts (MW). This initiative, announced by the Ministry of Electricity, Water and Renewable Energy, underscores Kuwait's commitment.

Kuwait has already broken last summer's monthly electricity import record ahead of the summer peak demand period as ongoing maintenance work means its power fleet is unable to meet demand. Delays in connecting the new Wafra (Z) substation will cap monthly imports at 900MW and there is a high risk.

On April 17, 2025, Kuwait's Ministry of Electricity, Water and Renewable Energy (MEWRE) announced that the Central Agency for Public Tenders (CAPT) approved tenders for the supply, installation, and operation of combined-cycle gas turbines (CCGT) to expand the Al-Subiya Power Station capacity by.

The country's power generation capacity has not kept up with rapid population growth and urban expansion Kuwait has opened bids for the first phase of the 1.8 gigawatt Al Khairan power and water project, which aims to help alleviate the Gulf nation's power shortages. Pre-qualified international.

Since last year, the government has implemented planned power cuts to

cope. KAPP, the Kuwait Authority for Partnership Projects, aims to change that. Its acting director general, Asmaa Al-Mousa, recently confirmed that a new contract will be awarded within weeks. Under the PPP framework, private.
