Retractable solar panels EPC service price in Ireland

Overview

How much does a commercial solar panel installation cost in Ireland?

The cost of commercial PV panel installations depends on the size and complexity of the project. The price per watt may decrease for larger systems due to economies of scale. Commercial solar PV installations in Ireland cost between €15,000 and €200,000 or more, depending on the project's size and requirements.

How much does a solar PV system cost in Ireland?

A solar PV system costs between €4,600 – €8,700 in Ireland in 2025 with the SEAI grant. The exact price will depend on the number and type of solar panels used. You can expect the peak solar output of your solar PV system to be between 1.76kWp to 7.04kWp.

How long do solar panels last in Ireland?

It typically takes around 5-6 years to recoup the cost of solar panels in Ireland. After that, you can enjoy free electricity for the remaining lifespan of your panels. Most solar panels come with a 25-year warranty, so you should be getting renewable energy from your roof for at least that long.

How much does a solar grant cost in Ireland?

The grant can reduce the cost of solar panels in Ireland by 25% or even more, and so it's a gamechanger for a typical family looking to go solar. In 2024, the maximum solar grant amount is €1,800, but that will be going down by €300 to €1,800 at the start of 2025.Find out more in our Irish solar grants guide.

Are solar panels a good investment in Ireland?

Increased home value: Properties with solar panels are more attractive to buyers. Sell excess energy: Homeowners can now sell surplus solar electricity back to the grid. With government grants, reduced energy costs, and low maintenance requirements, solar panels are a smart investment for both

homeowners and businesses in Ireland.

How much do solar panels cost?

The price of solar panels varies based on the type and quality of the panels chosen. On average, a standard residential solar panel system costs between €5,000 and €15,000, depending on the system size and energy output. Installation costs typically range from €1,500 to €3,000, covering: Labour and professional installation.
