## Overview

---

What are the best solar battery boxes and enclosures?

Unbound Solar offers durable solar battery boxes and enclosures that are ideal for off-grid or grid-tie with battery backup systems. Browse our selection today. Our Solar Battery Guide will help you size your battery bank properly and keep things running smoothly by ensuring a well-designed system that protects your batteries.

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

Why do you need an outdoor battery enclosure box?

Outdoor battery enclosures keep your batteries safe from weather and safe from theft. Outdoor battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment.

What is an underground solar battery enclosure?

Underground solar battery enclosures are hidden underground to save space and landscape. These battery enclosures are watertight, resist dust and dirt—which is standard for solar battery enclosures. However, underground solar battery boxes are thermally stable, and protect the environment from toxic battery leakage.

Are underground solar battery boxes safe?

However, underground solar battery boxes are thermally stable, and protect the environment from toxic battery leakage. They can have a venting system

is housed inside a larger concrete box. Alternatively, these enclosures may omit ventilation if they use batteries like Li-ion.

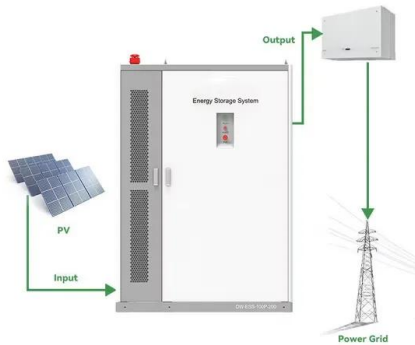

What is a wall-mounted solar battery enclosure?

Wall-mounted enclosures use mounting brackets, screws, and pads for installation onto a wall. Wall-mounted solar battery enclosures are perfect for small batteries in public places. Also, this design is the most common one for solar battery enclosures. Wall-mounted battery enclosure
