Do garden ornaments light up if the sun goes down?

Once the sun goes down, the garden ornaments light up, illuminating your yard with only the power of the sun. These garden ornaments are beautiful, affordable, environmentally friendly and practical. Add a little light along a walkway or highlight the boundaries of your yard with ease.

Are solar garden statues eco-friendly?

If you're looking for ways to light up your outdoor spaces but are concerned with reducing your impact on the environment, solar garden statues and lawn ornaments from Christmas Tree Hill are the way to go. Not only are these solar statues eco-friendly, they're also easy on the budget because they won't drive up your energy bill.

How do garden ornaments work?

The energy produced is stored in an integrated battery system until light sensors detect nightfall. Once the sun goes down, the garden ornaments light up, illuminating your yard with only the power of the sun. These garden ornaments are beautiful, affordable, environmentally friendly and practical.
