

Solar container kit quotation in Guernsey 2030

The image shows a house with solar panels on the roof. In the foreground, there is a Solar360 container unit. The unit is white with a black top section and a control panel. It has a digital display and several buttons. The unit is mounted on a metal frame with wheels. To the right of the unit, there are four circular icons in a 2x2 grid. Each icon has a text label below it. The icons are: a hand pointing up, a globe, a battery with a lightning bolt, and a light bulb with a lightning bolt. The text labels are: 'easy to install and use', 'World wide Products', 'faster charging and discharging', and 'Multiple protection with alarm systems'. Below the icons, there is a large text block that says 'Can save energy'. Below that, there is a paragraph of text: 'the battery capacity can be increased freely and flexibly according to the situation of home use.' At the bottom, there is a line of text: 'Rechargeable lithium batteries use safe LiFePO4'.

easy to install and use

World wide Products

faster charging and discharging

Multiple protection with alarm systems

Can save energy

the battery capacity can be increased freely and flexibly according to the situation of home use.

Rechargeable lithium batteries use safe LiFePO4
