

Solar electric fence controller for sale

Overview

Where can I buy electric fence controllers?

Agri Supply offers a range of electric fence controllers to help keep livestock in and garden invaders out. You can find electric fence supplies such as wire, ground rods, lightning constrictors and surge suppressors here, as well as solar electric fence chargers, battery-powered fence chargers, and standard electric chargers.

Does Home Depot have a solar fence charger?

To verify or get additional information, please contact The Home Depot customer service. With the Zareba 10 Mile Solar Low Impedance Fence Charger, your fence can be powered from anywhere, even the most remote fields. This fence charger runs up to 2 weeks without sunlight and is powered by an internal rechargeable battery.

Can a solar fence charger power an electric fence?

Electric fences can be above-ground electrified wire fences that work as a physical boundary, or they can be buried-wire invisible fences that only produce a shock to animals wearing a corresponding collar. A solar fence charger can power rechargeable invisible fence batteries and above-ground electric fences alike.

What is a 5 mile solar low impedance fence charger?

With the American FarmWorks 5 Mile Solar Low Impedance Fence Charger, your fence can have power from anywhere. This fence charger runs for up to 2 weeks without sunlight and is powered by an internal rechargeable battery. With 0.10 output joules, this energizer will support animals and livestock such as cattle, horses, pigs, and goats.

How do solar electric fence chargers work?

These solar electric fence chargers absorb light and convert it to usable

energy to electrify your fencing. For extra reassurance, choose an electric fence charger with various power sources. Many can be plugged in, or use a combination of solar power and backup batteries.

Do electric fence controllers come with a warranty?

Agri Supply guarantees electric fence controllers for one year with our own warranty. Select electric fence controllers without worries. Our electric fence supplies also include circuit boards, output capacitors and power modules. Solar electric fence chargers are especially convenient for use in remote locations.
