Solar energy and solar panels canberra

Overview

Why should you choose a solar installer in Canberra?

Solar installers Canberra residents work with should understand the unique needs and requirements imposed by the climate conditions of the ACT. Our team picks only solar panels and systems suited to best suit your needs.

Do you repair or install solar panels in Canberra?

We also repair existing PV systems, even if we didn't install them, so if you need assistance, we're here to help. We're the longest standing solar installer Canberra has active today, having been operating in the ACT since 2010 and in solar for over 19 years.

Are solar panels a good investment in Canberra?

With Canberra having so many sunny days a year, solar panels are a great way to reduce your energy bills and contribute to a brighter future. And while solar power has always been beneficial, today it's more accessible and cost-effective than ever.

Who is SolarGain Canberra?

Here's the starting line. Welcome to Solargain Canberra. We offer the highest quality solar panels Canberra has available and operate all across the ACT. We've installed more than 2,600 solar energy systems in Canberra since opening doors here, including the office of Attorney General, Prime Minister & Cabinet Department.

Why should you install solar hot water systems in Canberra?

Installing a solar hot water system reduces your annual carbon dioxide emissions by as much as 3 tonnes. That's almost as much as taking a small car off the road. Solar Panels in Canberra. Power your home with clean energy. Choose Solargain for top-quality solar panels and expert installation. Go solar in today.

How much does a solar system cost in Canberra?

Solar Choice regularly publishes articles with indicative pricing for PV systems in Australia's capital cities (including Canberra) in our Solar Choice Price Index. Based on the price index data from March 2025, we can see that in Canberra a typical 6 kw solar system would cost \$5,420 on average after deducting the STC rebate and including GST.
