Overview

What happened to solar for all?

Updated on: August 8, 2025 / 1:15 PM EDT / CBS News The Environmental Protection Agency announced Thursday it is terminating its \$7 billion Solar for All program that was designed to bring renewable and affordable energy to low-income communities. Sources confirmed to CBS News earlier this week that the agency planned to scrap the program.

What is solar for all?

"Solar for All is an investment in energy infrastructure that's going to serve that residential customer that's going to keep energy rates in America more affordable and more fair," she said. Solar for All awarded grants in August 2024 to 49 state-level agencies, six tribes and five multi-state award recipients, according to the EPA.

Will solar for all save us taxpayers another \$7 billion?

"Today, the Trump EPA is announcing that we are ending Solar for All for good, saving US taxpayers ANOTHER \$7 BILLION!" Sen. Bernie Sanders, I-Vt, who introduced the Solar for All program to cut electric bills for working families, said Zeldin's action was illegal.

What is the Solar for all program?

The Solar for All program awarded funds to 60 grant recipients, including states, territories, Tribal governments, municipalities and eligible nonprofit recipients to expand the number of low-income and disadvantaged communities primed for distributed solar investment.

Is solar for all safe?

The Trump administration has been trying for months to terminate the other \$20 billion of grants in the Greenhouse Gas Reduction Fund, but Solar for All had been safe, until Trump's megabill became law. Representatives of the

three recipients told Jean that some awardees don't have the money to continue their activities without the federal money.

Is solar for all a bad thing?

Kyle Wallace, vice president of public policy and government affairs at the solar company PosiGen, said on social media: "This would be a shocking and harmful action that will hurt vulnerable families who are struggling with rising energy costs. The Solar for All program has been embraced by both red and blue states and has so much promise.
