

Solar for all program washington dc

Overview

Does DC have a solar procurement program?

Since 2018, the DC Sustainable Energy Utility has operated the solar procurement process for SfA for DOEE. The program was established to support DC's Renewable Portfolio Standard (RPS) goals to achieve 100 percent renewable energy by 2032 and 15 percent of energy from local solar by 2041.

What is Solar Works DC?

In 2017, DOEE partnered with the Department of Employment Services (DOES) to launch Solar Works DC, a solar job training program designed to prepare District residents for careers in solar and related industries.

What is solar for all?

Solar for All aims to bring the benefits of solar energy to 100,000 low to moderate income families in the District. DOEE is partnering with organizations across the District to install solar on single family homes and develop community solar projects to benefit renters and residents in multi-family buildings.

Who funds solar for all?

The program, which was established by the Renewable Portfolio Standard (RPS) Expansion Amendment Act of 2016, is funded by the Renewable Energy Development Fund (REDF). For more information about Solar for All visit DOEE's Solar for All web page. How does solar work?

.

Who are the key partners for solar projects in DC?

Key partners: DC Sustainable Energy Utility, Solar United Neighbors, Groundswell, GRID Alternatives Mid-Atlantic, Solarize DC. Promising practices: No-cost solar project installations, program codified in law, collaborative

program development, prioritize developing community trust.

Does the district of Columbia offer tax credits for solar projects?

Federal Tax Credits Available for Solar and Energy Efficiency Projects (The District of Columbia does not offer tax incentives at this time.) For more information about solar initiatives in the District, contact the DOEE Solar Hotline at (202) 299-5271 or .
