The POPOSOAP Solar Fountain Pump is a top choice, offering a powerful 160GPH flow rate and adjustable settings. This pump is perfect for fountains, ponds, and gardens, providing a delightful water display while saving on energy costs. Versatile and easy to install, these pumps serve various use.

Create your own beautiful fountain or birdbath with this solar-powered water pump and panel kit. Water flows from the solar pump at 40 gallons per hour with up to 20 inches of lift depending on the hose size you use (hose is not included). This complete solar fountain kit includes a submersible.

While it can go as low as 20 to 30 feet, it only needs to be deep enough to thoroughly submerge the pump which generally is 4-5 inches. All Solariver™

pumps are dry-run protected to protect the pump from burnout in case the water is not deep enough. Aside from being aesthetically pleasing, the.
