## Overview

---

What is solarreviews?

SolarReviews has both an extensive collection of unbiased consumer reviews of U.S. solar companies and an expert ranking system to help you identify the best solar panel installation companies in your area. Since 2013, our in-house solar experts and engineers have built one of the most accurate solar calculators available.

Are solar panels a scam?

With that demand comes fierce competition within the solar panel market. Scams, schemes and straight-up fraud abound in the dark underbelly of an otherwise light-filled industry. While there are still many honest and reliable solar panel companies on the market, it can be hard to differentiate the good guys from the rest.

What if I have problems with a solar company?

If you are having problems with a solar company, please click [here](#) for some consumer resources. Two companies in particular stand out: Vivint and SolarCity. Complaints against these two – among the largest providers – constituted nearly 56 percent of all the complaints consumers filed with the FTC about solar companies.

Why did a customer complain about a solar agreement?

Confused by the separate roles of the solar and finance companies, the customer filed complaints and left negative reviews, frustrated by the lack of transparency in the agreement and the higher-than-expected monthly costs. [How Cleantech Law Partners Can Help:](#)

Should consumers be worried about shoddy Solar Contractors?

The report warned consumers about shoddy solar contractors and problematic leasing arrangements, highlighting, for example, a Maryland complaint

regarding an 84-year-old man who had been induced to sign a 20-year lease for solar panels. Attorneys general are also taking steps to protect consumers from rooftop solar companies.

Which solar companies are most criticized by the FTC?

Two companies in particular stand out: Vivint and SolarCity. Complaints against these two – among the largest providers – constituted nearly 56 percent of all the complaints consumers filed with the FTC about solar companies. Among other things, consumers reported poor customer service and being tricked into buying solar panels.
