Does Home Depot have a solar powered outdoor LED lamp post?

To verify or get additional information, please contact The Home Depot customer service. Add light to your outdoor space, without using electricity, with this Solar Powered Outdoor LED Lamp Post. With a sensor, the LEDs will charge throughout the day and then automatically turn on at night.

What is a solar lamp post?

1-800-628-0525. This solar lamp post allows you to create a pop of decorative light anywhere outside your home. Solar power collects and charges the batteries which charge the LED lights. Simply place the lamp outdoors in a location where the solar panels will receive direct sunlight.

How does a solar powered outdoor LED lamp post work?

Add light to your outdoor space, without using electricity, with this Solar Powered Outdoor LED Lamp Post. With a sensor, the LEDs will charge throughout the day and then automatically turn on at night. It also adds style with a planter at the base and a removeable plant hanger to display your favorite flowers.

What's a good solar lamp post?

The GAMA SONIC three light solar lamp post with plastic planter is a nice way to have solar lights outdoors. I like that it's designed into a lamp post rather than the individual stick in the grass type of solar lights. I like everything about this lamp post except that the plant pot at the bottom is not made of a more durable material.

Should you buy a solar lamp post with planter?

Customers say the solar lamp post with planter is an attractive addition to their outdoor spaces, praised for its easy assembly and aesthetic appeal. However, many reviews highlight concerns about the light's brightness and

stability, with suggestions to add weight to the base for better support.

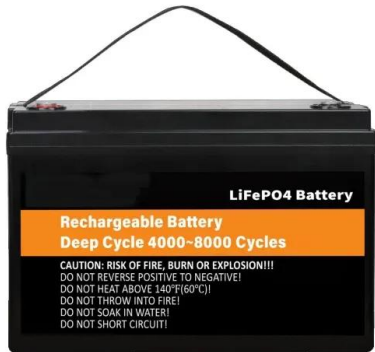

How does a solar lamp post & planter work?

This outdoor solar lamp post and planter is entirely powered by the sun and equipped with an internal lithium-ion battery pack, which charges when direct sunlight hits the lamp's solar panel. It requires no electrical wiring, which eliminates any dangerous and unsightly cords.
