

# **Solar lamp posts outdoor white**

## Overview

---

What is a solar lamp post?

New and improved, now with 60% more charging power. The lamp post is a single solar lamp post. It is a rust-resistant, cast-aluminum solar lantern that features an attractive 19th-century lamp design and has now been integrated with our latest revolutionary technology patented outdoor solar LED light bulb providing 150 lumens on a full charge.

What are solar lamp post lights with planters?

Our solar lamp post lights with planters are the perfect accessory for showing any flowers or foliage. You can use these solar street light posts in the front/backyard, along the driveway, walkway, sidewalk, or around your patio or porch.

What is a solar lamp post with EZ anchor?

Enhance your outdoor retreat with the Solar Lamp Post with EZ Anchor. This solar light fixture offers a black finish with a warm-white 2700K bulb is the perfect energy-saving and money-saving replacement for electric or gas-powered outdoor lighting.

How long does a solar post light last?

Constructed of weather-resistant, rust-resistant cast aluminum, the Solar Post Light is not only aesthetically pleasing but durable as well. Applicable for almost every exterior space in your home, the Solar Post Light will brighten your outdoor spaces and walls for up to 12 hours each night with warm white light.

What is a solar outdoor solar light?

The solar outdoor solar light is an elegant choice to decorate your outdoor home lighting. This solar-powered outdoor post light combines the design of modern and classic making it a stylish addition to your garden, yard, porch,

and deck. The post light can be lit up to 12 hours after it has been fully charged in the sun.

How do solar post lights work?

**Battery:** The solar panels are wired directly to a rechargeable battery that stores the electricity to be used by the light throughout the night. Typically, these batteries come with the fixture. **Lights:** Most solar post lights have integrated LED lights, meaning they are built into the fixture.
