

A collage of various solar energy components. On the left, a large white inverter with a red stripe and 'HPS 150' label is shown. Above it, several solar panels are stacked, with a green banner reading '600W-2MW Solar Energy System' and '11 Years' Experience on Solar Energy'. To the right, a tall white electrical cabinet with multiple internal modules is displayed. Below it, a smaller white 'PV Combiner Box' with a yellow warning triangle is visible. In the foreground, there are various electrical components including a metal mounting bracket, black and red cables, and a red coiled cable.
