ENERGY STORAGE SYSTEM

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

Solar light battery replacement instructions

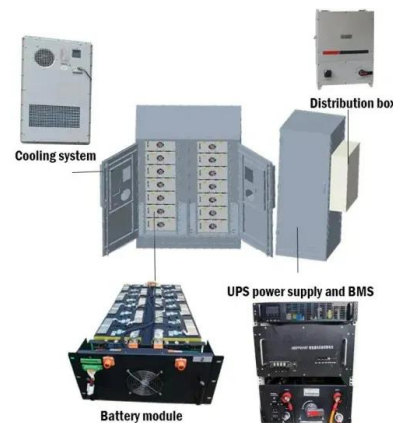

Solar Panels Increase Property Values , Ecohouse Solar, LLC

Increase home value 3-4% by installing a solar panel system Multiple studies have shown that homes with solar panel systems are valued and sold at prices above similar homes in their area. Early studies focused on established solar markets such as California found that home values increase by four percent or more when homes are equipped with solar panels. Lawrence

[Solar Ambassadors , Ecohouse Solar, LLC](#)

Five years into living with solar, Jeff and Sara are as enthusiastic about their system as they were when the panels were first installed. Speaking with them in their dining room, their faces just light up (well as much as you can see of them under their masks). One of the first houses in Grandview to install solar, the couple even hosted an open house when their system was first ...

[6 Steps to Replace Solar Light Batteries](#)

Are you wondering why your solar lights are becoming dimmer with every passing day? A solar light requires four essential components to light up your space. These include a rechargeable battery, photovoltaic cell or solar ...
