

Solar light for outside steps

Overview

How does a solar stair light work?

Volisun's Outdoor Solar Stair Lights sit securely in the corner of each step, creating a bright beam of light that illuminates the whole stair, preventing mishaps. Each light contains 13 small LEDs to provide eight hours of brightness for your stairs, patio, garden, or yard.

How do solar step lights work?

Illuminate your steps, pathways, and garden with our Solar Step Lights. These energy-efficient, solar-powered lights charge during the day and automatically light up at night. Perfect for outdoor steps, walkways, and gardens, they offer easy installation, weather resistance, and long-lasting performance.

Are solar step lights waterproof?

Yes, most solar step lights are designed to be weather-resistant and waterproof, making them ideal for outdoor use in various weather conditions. Do Solar Step Lights need to be directly in the sun?

Solar lights perform best when exposed to direct sunlight.

How long do solar step lights last?

The average lifespan of typical solar step lights is 2-5 years, while Quntis solar step lights can often last even longer. Are Solar Step Lights waterproof?

Yes, most solar step lights are designed to be weather-resistant and waterproof, making them ideal for outdoor use in various weather conditions.

How to use a solar light?

They can be used for both lighting and decoration. You can use it whenever and wherever you want without much effort. Install the solar product in a location where it will receive direct sunlight. Choose an outdoor location that

is away from other light sources such as street lights at night; otherwise, it may not turn on automatically at night.

Why should you buy a solar step light?

Stop wasting money on endless AA batteries. Constructed with ultra durable ABS and a high-quality solar panel, along with a low self-discharge battery, and are designed to withstand rain, wind, and light snow. Our solar step lights feature auto on/off nighttime sensors so you do not need to manually turn them on every night.
