

Solar light outdoor christmas decorations

Overview

Are solar Christmas lights a good idea?

Our solar Christmas lights are beautiful, easy to install, and a cost effective way to decorate your home or business. They're a great way to keep your home in the festive spirit without bulky and unsightly extension cords or having to replace batteries throughout the holiday season.

Where can I Hang my Christmas lights?

Hang them from your house, patio, mailbox, or fence! All of our solar powered Christmas light packages come with a ground stake for the solar panel, or the panel can be mounted along a roof line or wall. Brighten up your trees, bushes or home with our Multi-Color Solar Christmas Light String.

How do you decorate a home with Christmas lights?

Spiral Christmas trees are another popular yard decoration. They're available in different sizes and colors, and we have plenty of options to complement your home's style. Next, string Christmas lights around your favorite trees, along your porch, stair railings and posts, and around the front of your home.
