

# **Solar module mounting structure hsn code**

## Overview

---

What is the HSN code for Solar Panel Mounting Structure and its GST rate ?

Solar Panel Mounting Structure, depending on the metal they are made of, will fall under 7308 or 7610 and attract 18% GST.

What is the HSN code for Solar Panel Mounting Structure and its GST rate ?

Solar Panel Mounting Structure, depending on the metal they are made of, will fall under 7308 or 7610 and attract 18% GST.

What is the HSN code for solar module mounting structure?

The specific HSN code for solar module mounting structure depends on the product type. Seair is proficient in interpreting HS code 5201 for solar module mounting structure products and assisting you through the complexity of customs.

HSN Code is a hierarchical system of product Classification, you can explore the hierarchy below of HSN code 73089090, the most popular HSN codes used for Solar Mounting Structure. There are 38 HS Codes used for import by 229 importers of Solar Mounting Structure, Click on HS Code to Get Actual.

Average import price for solar mounting under HS Code 76109090 was \$4.00. Please use filters at the bottom of the page to view and select unit type. You may also use the analysis page to view month wise price information. There are 901 exporters of solar mounting . This information is derived from.

What is the HSN code for Solar Panel Mounting Structure and its GST rate ?

Solar Panel Mounting Structure, depending on the metal they are made of, will fall under 7308 or 7610 and attract 18% GST. Chartered Accountant having 12+ years of Experience in Taxation , Finance and GST related matters and.

The applicable GST rate for supply of equipment for a solar power generating

system (composite supply) will be 12% (the value can be equivalent to 70% of the plant cost). However, for installation and engineering services, EPC companies and installers will need to raise a separate works contract.

HSN Code is a hierarchical system of product Classification, you can explore the hierarchy below of HSN code 73089090, the most popular HSN codes used for Solar Mounting System. There are 33 HS Codes used for import by 1,231 importers of Solar Mounting System, Click on HS Code to Get Actual Product. What is the HSN code for solar panel mounting structure?

What is the HSN code for Solar Panel Mounting Structure and its GST rate ?

Solar Panel Mounting Structure, depending on the metal they are made of, will fall under 7308 or 7610 and attract 18% GST. Chartered Accountant having 12+ years of Experience in Taxation , Finance and GST related matters and can be reached at Email : Taxheal@gmail.com.

How do I find HS codes for solar module mounting structure products?

To find out accurate “HS Codes” for solar module mounting structure products, you need to visit the Seair Exim dashboard and explore the HSN codes for specific products. How do we ensure data authenticity, especially for specific import products like solar module mounting structure?

.

Does SEAir interpret HS code 5201 for solar module mounting structure?

Seair is proficient in interpreting HS code 5201 for solar module mounting structure products and assisting you through the complexity of customs guidelines. Does Seair Exim Solutions offer information on HSN codes for solar module mounting structure import?

Absolutely!.

What is solar module mounting structure import data & export data?

Our Solar module mounting structure import data and export data solutions meet your actual import and export requirements in quality, volume, seasonality, and geography. Alongside we help you get detailed information on the vital export and import fields that encompass HS codes, product description, duty, quantity, price, etc.

What is HSN code for solar power generating system?

Ans-The 4 digit HSN Code of "Solar power Generating System" is 8541. Q-2  
What constitutes solar power generating system 85. what are the various components and technical requirements That together constitutes solar power generating System under Chapter 85?

.

How much is solar mounting under HS code 76109090?

Average import price for solar mounting under HS Code 76109090 was \$4.00. Please use filters at the bottom of the page to view and select unit type. You may also use the analysis page to view month wise price information. There are 871 exporters of solar mounting . This information is derived from data obtained from US Customs Department.
